A detailed black and white illustration of a busy beach scene. In the upper left, a large motorboat with a red stripe is filled with people, including a man in a life preserver. To its right, a person is parasailing over the water. Further right, a lighthouse with a red top stands on a rocky outcrop. In the center, a small inflatable boat with three people is moving across the water. Below it, a person is swimming with a crab. In the foreground, a man is sunbathing on a lounge chair under a striped umbrella. To his right, a child is playing with a beach ball. Further right, a person is riding a horse-shaped inflatable ring. In the bottom right, a large, patterned beach towel is spread out with a bottle and flip-flops nearby. Various other people are swimming and playing in the water. Red markers are placed throughout the scene: a red heart on the boat's stripe, a red heart on the parasail, a red heart on the lighthouse, a red heart on the inflatable boat, a red heart on the crab, a red heart on the sunbather's chair, a red heart on the beach ball, a red heart on the horse ring, a red heart on the towel, and a red heart on the flip-flop.
